

SUPER KID CONTEST 2017-2018

LKG - IV

Introduction

The **SUPER KID CONTEST** is a simple, yet effective competitive questioning methodology developed by the **Council for Academic Performance & Evaluation (CAPE)** exclusively for pre-primary and primary school students. Designed to be stimulating and fun, it not only provides an accurate reflection of a child's potential and needs but also rewards them appropriately while according the school invaluable insights into each student's capabilities and progression of learning.

This comprehensive student evaluation programme is engineered to accurately evaluate the student's comprehension, acquired knowledge and skill sets across subjects of his/her syllabus as well as general knowledge and communication capabilities. Quick and simple to administer, enjoyable to do and easy-to-evaluate, they include visual challenges, drawing sessions, oral quizzes and written tests. Plus, the best performing student in each category is awarded citations and certificates and outstanding performers are accorded handsome **Cash Prizes** as incentives. The **SUPER KID** or the overall best-performer is awarded a **Gold Medal** and his/her school is gifted the **Outstanding School of the Year Award** as well!

CAPE - Designed & Conducted

The **Council for Academic Performance & Evaluation (CAPE)** is an ambitious, first-of-its-kind and full-service accreditation programme that proffers professional guidance to educational institutions in deploying and imparting world-class excellence to their teaching and learning methodologies. Spearheaded by an august panel of eminent academicians brought together under the aegis of **T Nettikadan Educators**, through its sustained student appraisal and systematic oversight programs, ensure schools are appropriately equipped and focused at fostering student learning and student achievement – effectively and efficiently!
